Dear Brothers and Sisters in Christ,

Remember this: Whoever sows sparingly will also reap sparingly, and whoever sows generously will also reap generously. Each of you should give what you have decided in your heart to give, not reluctantly or under compulsion, for God loves a cheerful giver.

2 Corinthians 9:6-7

Christ has created us as part of his Church. We are a family of faith called to serve his will. In other words, we are in community for Christ. This is our purpose and mission. It is the very cause which challenges us at this time to act in support of our vision of what Christ's mission is now and into the coming year.

As a congregation we have already done much toward this end. We have assembled a dedicated and capable staff, and are diligently building youth and service programs that rank with the best. We have increased the number of fellowship opportunities for youth and adults that shine as a beacon of light from our hill. We have earnestly sought to support the work of the Church beyond our doorstep and specifically in Norristown and surrounding areas.

These ministries and programs are important and need to be continued, improved and expanded. All need to be supported through service and treasure. The Annual Stewardship Campaign is how we financially support LPPC. Volunteering with a servant's heart and sharing one's treasure are two reflections of our willingness to return to the Lord a portion of the many good things He gives us. Every additional hour volunteered and dollar offered have a significant impact on our budget - our plans, services and programs.

We have enclosed with this letter the 2019 pledge cards. Dedication Sunday will be October 28th, but please feel free to place it in the offering plate as soon as you are able. You may also mail your pledge card to Wendy Todd or send a secure e-mail to Wendy at wtodd@lppcmin.org. Please remember that all financial pledges are strictly confidential, and you may change or update them at any time.

I feel privileged to count on your understanding and openness to God's call as we begin this year's vital campaign. Please pray with me for the success of our endeavors. Together we can realize our common vision of *Growing in Generosity Rooted in Faith*.

Appreciatively,

T.J. Wudarski
